General Statement for the Sixty-Second Series of the Assemblies  
of the Member States of WIPO

Mr. President,

WIPO declared in its MEDIUM-TERM STRATEGIC PLAN that its Vision is to create a world where innovation and creativity from anywhere is supported by intellectual property for the good of everyone.

JIPA sympathizes with this WIPO Vision and shares common values. In June, JIPA held the "JIPA GREEN Symposium" online with the support of WIPO and sent a message to viewers from all over the world about the role of intellectual property in environmental issues and the use of WIPO Green.

JIPA believes that there is a role that only JIPA can play as an NGO to develop a balanced and inclusive global IP ecosystem. JIPA is committed to moving forward together with WIPO.

Yours faithfully,

Tomonori BEKKU  
President
